

Disability Accommodations

The U.S. General Services Administration (GSA) is tasked with the management and care of all federally owned and leased buildings, including those buildings where the U.S. Bankruptcy Court is located throughout the District of Massachusetts. It is GSA policy to make all federal buildings accessible without the use of special facilities for the disabled. Additionally, all Courtrooms within each of these buildings are wheelchair accessible and equipped with assistive listening devices.

Individuals requesting an accommodation related to an appearance at a hearing or trial must contact the Courtroom Deputy no fewer than five (5) business days in advance of when the accommodation is needed. Please include in your request, the date the accommodation is needed, the name of the case or proceeding, and a reason for the accommodation.

A list of Courtroom Deputies is available [here](#). Others wishing an accommodation to visit the Court or Clerk's office may contact the Clerk of Court or the Chief Deputy at 617-748-6600.

Note: Accommodations which create an excessive financial or administrative burden will not be granted. Additionally, the Court will not pay for personal services or equipment including a personal assistant, a lawyer, paralegal, hearing aids, eye glasses, walkers or other devices.
