
Change Your Password

Step 1 Click **Utilities** on the Main Menu Bar.

Step 2 Select **Change Your Password**.

Step 3 Enter the password you would like to use, re-enter your new password, and click **Submit**.

A screenshot of the "Change Your Password" form. The form has a light blue background. At the top is the title "Change Your Password" in blue. Below it is the text "Login love_cr". Underneath is a paragraph of instructions: "Passwords must have at least 8 characters, both uppercase and lowercase letters, and at least one digit or special character (e.g., @,%,&)." Below the instructions are two input fields. The first is labeled "New password" and the second is labeled "Re-enter new password". At the bottom of the form are two buttons: "Submit" and "Clear".
